As of November 5, 2021 Departemental South Dakota #3 is *GOAL!*
Congratulations! Best Wishes! Happy Sailing for rest of Year!

- 22 of our 30 Departementaux have made the October 31st – 25% goal or 73%.
- 11 of our 30 Departementaux have made the December 31st -50% goal or 37%.
- 5 of our 30 Departementuax have made the February 28th – 75% goal or 17%.
- AND as a team, we are at 56.95% of our 100% goal --- *we are doing great!*

We truly have moved forward and for this we can pat ourselves on the back.

However, we need to continue the work of obtaining renewals and new partnerships. Illinois #21 leads the pack with 193 renewals and 9 new partners.

Inside Santa's **Green** Christmas gift box is a paid partnership that each of us should give to at least one partner in our Salons/Departementaux as a *'true act of kindness.'*

Write or call if this Chairman can help in our endeavors for keeping a strong 8/40 partnership!

Merry Christmas
