

# Public Relations

**NOVEMBER—2021**

**IT'S TIME . . . to get out of our Covid State of Mind and BACK TO BUSINESS.**

This year, we are **“SPREADING INCREASING HOPE FOR A CURE!”**

**DON'T SPREAD GERMS,  
SPREAD THE WORD!**

**So, here's how we start . . . . .**

Research Women's groups in your area such as Church groups, other Military organizations, crafting clubs as well as making yourself aware of local events.

Next, Identify a contact for these groups and events.

Then ask to speak at their meeting or event. State your purpose is to explain and offer information about the 8 and 40 and to advise and hand out information regarding our programs and scholarships.

We have professionally printed color brochures about our scholarship program for Technicians and Nurses studying in the respiratory field. In addition we have a trifold that is full of information about our organization. You can order all these things through your Departemental La Secretaire. Please give it a try!
