A Blessing to Warm Your Heart

May your days be blessed, and the New Year filled with all the things that will bring you lasting happiness.

May you have Peace in knowing who you are.....

Peace in knowing what you believe in...and peace in understanding of what is important in life.

May your faith guide your path toward your dreams and May hope be a constant light in your life.

May God give you strength to help you thru life and May love warm your heart every day.

May our Special Children have hope for the New Year that we can get funds to the Nurse Scholarship Program we are in great need for Respiratory therapists and Nurses.

Here is the standings as of November 30, 2021 the Western Division \$1,644.00, Eastern Division \$721.94, Southern Division \$704.00, and Central Division \$533.50. There are a lot of Departmentales that haven't turned in anything this year. Total so far is \$3603.44 that is one Scholarship and a start for another.

We have brochures that are available to obtain by contacting La'Secrtaire Sandra at lasecrtaire@8and40.org or go to the website, www.8and40.org and you can print them out.,

Here is hoping each Division can come together and raise enough for one or two per Division.

Have a great New Year.
