FY 2021 – 2022

The past year has been difficult for us all. It seems that things were getting better and then we slid back. We are now back to wearing our mask but still able to meet and enjoy each other. We will be able to hold events to raise funds for our special children.

It is time to get our pens and cameras out to record our wonderful meetings and events! I am looking forward to seeing everything that each of you will be doing during the upcoming year.
