Central Division**

HOPE

HOPE

HOPE

Greetings to the Eight and Forty Partners,

**My name is Linda Sullivan, and I am the candidate for Central Division
Demi Chapeau.**

**Congratulations to all our Organization leaders; especially to our
National Chapeau Judy Zimmerman. Chapeau Judy's Theme for this
year is "Hope for a Cure for our Special Children". In keeping with
that theme, the Central Division Theme will be "The Central Division
provides Hope for our Special Children".**

**As I think about Hope, I think of the Almond Blossom, symbolizing
Renewal and Hope. This will be a year of renewal, as the past 18
months have been heartbreaking and restrictive for many. It is our
hope that as we move through the coming year, not only will we see
great strides toward a cure for our Special Children, but also that our
organization can gain momentum to add projects for raising money and
increasing Partnership.**

**I am honored to be your Central Division Demi Chapeau, and look
forward to meeting and communicating with you,**
