

La Boutique Nationale
Des Huit Chapeaux et Quarante Femme
2020-2021

Hello Chapeaux, Officers,
Pouvoirs, Nationale Passes

I, Brenda Smith, is honored to accept Southern Division Le Demi Chapeau for the incoming year for Ms. Diane Spencer where we will be putting our "Hearts in Service for our Special Children".

We have no clue as to when we will be able to return to normal but we will never be normal like before. So.. we have some intelligent ladies within our organization. We are going to need these minds to be combined together to have some ideas as to doing fund raisers, but I know we can do this, I have faith in all of our Partners, and I know each will be unique.

I will be giving awards for the 2020-2021 year but haven't decided yet it may be on all the programs, we have to have some insinuation on how we are going to get it done.

I would like the Southern Division to be 100 % in reporting. If you have a meeting and donated some funds to any of the programs than you have done something to report. You send in Departmental year-end reports then that is considered as reporting.

This is going to be a very challenging year but I know that we have the ability to make it through. We have Partners that say no matter what we are going to do this for our Special Children that need us now more than ever. So let's get those minds working and see just what we can come up with, I know you can do it!!!!!!!

Congratulations to Departmental, Salon Chapeaux, Officers and Pouvoir's and Chairman's. I know some may have changed and others stayed the same.

As an Organization we have to stick together and communicate. Unless we communicate how does our Partners know what is taking place, what we are doing, and why they matter.

If I can be of any assistance please call or email me any time if I do not answer leave me a message I will get back with you.
