

## **Working With “Hope for a Cure” for Our Special Children Using the Handbook for Guidance.**

Bulletin #2

National Officers and Chairman  
Departemental Officers and Chairman  
National Chapeaux Passe

Hello Partners:

**Congratulations** to all who are assuming Office as an Officer or Chairman. We have a wonderful year ahead of us. We all are working with Hope in our Hearts for a cure for our Special Children. The Handbook is a wonderful guide to help us. The Website has the new handbook and a report from this committee with the housekeeping that we have found and cleaned up.

If you find anything that you think is need of looking at, please do not hesitate to let this chairman know. I will check it out and let you know what or if anything can be done.

My committee members and I will be sending out bulletins regularly. How many of you know how to fill out a Resolution? Check pages 70-71 and it will tell you how.

My Committee is as follows:
