October, November and December 2021

Greetings Partners,
“Carve a Tunnel of HOPE for our Special Children”
Merry Christmas and a Happy, Healthy New Year.

I'm so sorry my newsletter to you has not been up to date, but I will try to get this done and sent out. I came down with COVID in October and was very sick for 5 days, and with in the next day my husband, Pius, became very sick and he was diagnosed with COVID. His doctor knowing his medical background immediately sent him for the infusion, but he felt worse. The following Sunday, after Halloween, I took him to the ER and he had COVID Pneumonia. So we have been through it, over it and just starting to get better. So now I can get back to business.

Thank you to each of you for keeping the Western Division in the TOP, You ALL are the Best. Keep up the great work.

The Partnership for each state is coming along, Congratulations South Dakota for getting your Goal. Montana – 2nd, Nebraska – 3rd, Oregon 4th, Washington – 5th, Arizona – 6th, California – 7th, Idaho - 8th and Nevada – 9th. Some of you only have a few to make Goal, so please keep trying. So far the Western Division is in First Place – Congratulations Partners.

Each of the states, need to keep making your donations to the Nurses Scholarship fund, American Legion child Welfare Foundation, National Jewish Health and American Lung Association.

I'm sure this year has been a struggle for all of our Partners, but I know we Can Do It.

I want to wish you All a Very Merry, Happy and Holy Christmas from our House to Yours.

Please Communicate, Communicate, and Communicate, that's how we get the word out about our Wonderful Organization.
